Our Fees, Commission and Charges

We usually receive a commission from the insurance provider with whom we place your business, and in such a case, the commission will be paid to us either when we are in receipt of cleared funds from you (or the premium finance company, if one has been used) or, when the insurer has received cleared funds from us in respect of the premium due under your policy. The individual agreements we have with each insurer will determine which of the two methods above is used to make this transfer of commission. We also receive commission for arranging finance agreements for the payment of insurance premiums and this is usually expressed as a percentage of the individual loan and is paid to us directly by the premium finance provider. We may also receive a commission or fee for passing introductions to other professional firms.

In addition, we may make the following charges to cover the administration of your insurance:

| | |
|---------|--|
| £30.00 | Arranging new policies |
| £35.00 | Mid-term adjustments |
| £55.00* | Mid-term cancellation (Mid term cancellations and other refunds are also refunded NET of commission. In view of the administration costs involved, we will not issue any return premium that is less than £15 (after deducting reclaimed commission and application of our charges). An amount less than £30 will be held to your credit and can be utilised against any future insurance policy with us. |
| £30.00 | Renewals |

*Consumer policies cancelled during the 'Right to Cancel' period will be subject to an administration charge of £25.00, in addition to the premium charged by the insurer for the period of cover provided.

Policies voided or cancelled from inception by insurers will be treated as a cancellation and we will retain any commission and fees before returning the net premium to you. By accepting these terms of business, you agree that we may retain the portion of the premium that relates to commission that would have been due to us.

Occasionally we may arrange a policy on which we earn no commission (a "net premium policy") and in these cases we will advise you of the arrangement fee before you take the policy out.

Specific charges, which apply to individual policies, will be advised to you prior to the commencement of each contract applicable to that policy. The specific charge and purpose of any additional charges will always be advised to you in advance.

You are entitled to request at any time, information about the commissions that we may have received in connection with your insurance, if you want this information please contact us.

Everslet Insurance Services (Maidenhead) Ltd

Terms of Business

Our Selection

We offer products from a wide range of insurance companies. Our selection usually involves presenting to a reasonable number of insurance companies that will insure for the risk at hand, we refer to this as a **fair analysis**. Other times we may only approach two or three insurers, a process we refer to as a **limited panel**, or in some cases, we may only approach a **single insurer**, in either case, we will tell you the basis as part of our selling process. You can also request a list of the companies that form the Panel we have approached.

Financial Strength

We regularly assess the financial strength of the Insurance Companies and other intermediaries that we deal with. The process usually involves general observation of the financial ratings applied by independent rating agencies such as Standard & Poor's and A M Best published with other readily available information within industry guides, newsletters and press releases. Whilst we take care to deal with companies that maintain reasonable solvency margins, we cannot guarantee their financial ability to pay claims.

Money

We will hold money that you pay to us in accordance with the regulators rules and under a risk transfer agreement with insurers involved. This involves holding your money in the following way:

A **non-statutory trust insurer bank account** in accordance with our agreements with Insurance Companies that transfer the risk of money we receive from customers to them, these agreements deem any money you pay to us, to be received by them and they will bear the risk of any losses in the event that our firm becomes insolvent. This includes claims money or premium refunds we receive prior to being paid to you. By holding your money this way, means that in the event that this firm becomes insolvent your money remains protected.

In arranging your insurance we may employ the services of other intermediaries who are regulated by the FCA and your premium may be passed to these intermediaries for payment to insurers. These firms are also required to hold clients' money in a separate trust account. We will also inform you if at any time we are required to pass your premium to firms that operate outside the UK where the protection may be different. Should you not wish us to pass premiums to a firm outside of the UK, please inform us.

Payment Options

We will provide you with full details of all the payment options available to you when we provide you with your insurance premium. If you choose to enter in a finance arrangement, this will be subject to interest charges that we will confirm to you when providing the full details. Importantly, the arrangement you will enter into will be with the finance company not us. It is an entirely separate contract irrespective of the insurance contract. In the event of your failure to meet with the contractual obligations regarding payment, the finance provider could approach the insurer to seek a termination of the insurance contract to recoup their outstanding finance arrears. You will be liable to pay their costs and charges if you do not keep up your repayments and cover is cancelled under your policy. This is because the agreement is between you, the policyholder, and the finance company direct.

Please note that we only use Close Premium Finance Limited for the provision of premium finance facilities.

Your Right to Cancel (Applicable to Consumers only)

Please contact us if you wish to cancel any policy that we have arranged for you. Customers acting outside their trade or profession (Consumers) will usually have a legal right to cancel policies for any reason, subject to no claims having occurred, within 14 days of receiving the full terms & conditions. You will always be advised where this Right applies. A charge may apply for the period of cover provided and, in addition, an administration charge will apply as shown in the charges section above, cancellation under this right must be in writing, prior to expiry of the cancellation period, to our usual office address.
